Welcome to our Guardian Home Program!

We are a family breeder engaged in breeding Goldendoodle and Bernedoodle dogs. Our dogs are considered beloved members of our family. We created a Guardian-Home Program to grow our breeding program while still providing each of our breeding dogs with a loving environment in a guardian family. By joining our Program, you desire to and will act as a guardian for a Goldendoodle, Bernedoodle, Golden Retriever, Bernese Mountain Dog or Standard Poodle dog that is either a female potential breeder/proven breeder or a male potential breeder/proven breeder, subject to the terms of this Agreement.

The following will spell out the Guardian-Home Program, including our requirements for guardian families while the Dog is part of the breeding program. The obligations we will assume as owner, and how the Dog will become a permanent member of your family.

Benefits of the Guardian-Home Program

Being a guardian home for our breeding puppies has many benefits, as well as responsibilities. We strive for a mutually beneficial relationship between ourselves and our guardian homes. You will receive one of the best puppies we can produce or a 'pick of the litter' puppy from another breeder from which we purchase the puppy. We look for quality structures, coats, and personalities in all the dogs we buy to become one of our breeding dogs. Also, we do provide lifetime support for each of these puppies as we want them to be the best they can be.

Ownership

Ownership and all right, title and interest in the dog shall remain with Owner (Daneesha Jonescu). AKC registration will be registered to Owner (Daneesha Jonescu). The Guardian Family shall retain possession of the dog during this Agreement, subject to its obligations to return possession of the dog for breeding purposes and shall provide physical care to and supervision of the dog subject to the terms and conditions of this Agreement.

Owner's Possession for Breeding

Female: Owner requires access to female breeding dog for reasons including, but not limited to:

1. Veterinary appointments (to monitor pregnancy- possibly two (2) visits).
2. Breeding: first sign of going into heat (blood) until a successful tie (usually 5-7 days). You can bring her up every other day typically 3 times on average, or leave her with Beautiful Doodles 4 U.
3. Whelping: 7-14 days prior to due date and up until the puppies are weaned at approximately 6-8 weeks of age.
4. The Guardian Family shall **NOT** transfer possession of the dog to any person without the prior written consent of Owner.

9. Guardian Families are **NOT** granted any personal visitation days. This is not in the best interest of the puppies or the mom. Please understand my allegiance is to my dogs and the puppies, not your emotional needs. I know this sounds harsh, but it is the reality of the situation. We encourage you to come up to visit during client visits with puppies (I will notify you of that date) to visit with Momma and puppies.

Male: Owner requires access to male breeding dog for reasons including, but not limited to:

1. Veterinary appointments.

Termination of Agreement

This Agreement shall terminate upon the occurrence of any of the following:

1. Immediately, upon the transfer of ownership of the Dog to the Guardian Family
2. Immediately, upon Owner's determination that the Guardian Family is non-compliant with the terms of this Agreement and such non-compliance poses significant risk to the health, welfare and safety of the Dog, at which time possession of the dog returns to the Owner (Daneesha Jonescu).
3. Immediately, for noncompliance and or hostile communication between owner and guardian family. If Daneesha feels there is no longer a professional working relationship, this contract is voided, and the dog remains with Daneesha. You are not guaranteed to receive the dog back when he/she retires. Please understand this is NOT your dog and decisions are made with the dog and puppies first and foremost. Trying to sabotage the breeding process because you no longer want your dog out of your home for two to three months a year is unacceptable, and this contract will be void. If you are not emotionally stable enough to allow the dog to be with me during whelping, then please DO NOT be a guardian family. This is teamwork for the greater good. We are providing dogs that save lives, heal hearts and truly make a difference. This is not a self-

serving agreement. You must be able to trust me, as I do you. I do not helicopter parent you, so please allow me the same courtesy.

4. Immediately, upon the death of the dog from natural or accidental causes.

5. Immediately, upon the Guardian Family's permanent return of the Dog to Owner for any reason.

Indemnity

The Guardian Family agrees to indemnify and hold Owner harmless from and against all claims, liabilities, losses, cost, damages and expenses by reason of any damage property or injury or death to individuals allegedly caused by the Dog while in the possession of the Guardian Family.
